

NEWARK-ESSEX C.O.R.E. MINUTES:

JUNE 11, 1962 *at 208 Broadway, Newark*

The meeting was opened by Chairman Harry Smith.
The minutes were read and approved.

OLD BUSINESS:

I. Bob & Pat Curvin have decided to represent our chapter of the Newark-Essex CORE at the National Convention in Miami Fla this year.

II. Jack Shattuck reported on the May 17th demonstration, which was successful in the dissemination of literature and support. This demonstration was to commemorate the Supreme Court Decision of May 17, 1954.

III. Cm. Smith reported that \$10 and 10% of our total, or gross income, was to go to the National Office of CORE.

IV. Jack Shattuck reported on the picketing of Madison Sq. Garden during JFK's birthday party. The demonstration was sponsored by NY CORE & CENP (Committee for the Employment of Negro Performers). The purpose was to inform the public & JFK of our impatience with his present administration--regarding the statement he had made prior to taking public office--that discrimination in areas of federal influence could be eliminated by a "stroke of the pen".

V. An announcement was made of the Houston, Tex. Action Institute to take place in August 1962; and also the Housing Institute which is to take place in Ohio the last two weeks of July. Marian Hittner is to attend the Rutgers Workshop in "Human Relations" at her own expense.

NEW BUSINESS:

I. Jack Shattuck proposed that we send \$50 to Hyannis, Mass. to aid the so-called "reverse freedom riders". Proposal seconded by Don Carter. Discussion followed with the motion being defeated.

II. A motion was made for CORE to actively work on the problem of discrimination at our State's shore areas--and their beaches which are open to the public. It was suggested that we start with Point Pleasant and this motion was approved.

The Shore Committee consists of:

Dave Reid, Jay Levine, Roxine Clark, Barbara Coppola, and JoAnn Van Derveer.

Minutes of 6-11-62 continued--Page 2

III. Jack Shattuck suggested the Colonial Inn in Madison, N.J. as a possible restaurant for investigation as to its possible discriminatory policies.

IV. Robert Curvin made a motion that CORE sponsor a Workshop in CORE techniques, to be held at the Mt. Zion Baptist Church on June 25, 1962 (Monday) at 7:30 P.M. *This was approved.*

V. Don Carter submitted the following resolution:

1. That Core investigate segregation of wards and rooms in the East Orange General Hospital, and
2. That CORE inform Steve Duncan, reporter of the Afro-American, of its plans to investigate the East Orange Hospital--particularly in the case of Billy Hutchins, a Negro boy who was injured *hit by a car* and supposedly taken to the E.O. Gen. Hosp. *(on June 11, 1962)* told to go home without any medical attention, & told to return ~~at a later date~~ *the next day*--at which time the child was found to have had serious injuries which should have been taken care of at the time of the accident.

The resolution was approved.

VI. Nominations for new officers are in order at this time: Nominating Committee will consist of:

Don Carter, Jack Shattuck & Jean Stanley.

Meeting was adjourned until the 2nd Monday of July 1962.

Respectfully submitted,
Jean Stanley, Recording Sec.
